

## EV Charging Equipment Federal Tax Credit up to \$1,000

Consumers who purchase qualified residential charging equipment prior to December 31, 2021, may receive a tax credit of 30% of the cost, up to \$1,000. Permitting and inspection fees are not included in covered expenses.

NOTE: This incentive originally expired on December 31, 2016, but was retroactively extended through December 31, 2020, by Public Law 116-94. The Taxpayer Certainty and Disaster Tax Relief Act of 2020 extended the alternative fuel vehicle refueling property credit to cover refueling property placed in service in 2021.

- Consult a tax professional to see if your installation qualifies
